Chris and I rode back and forth to Huntsville getting our LPN from J.F. Drake. As those who knew him, it will not surprise you, many times I would be sore from laughter almost daily. I thought we would never lose touch. But as with those I served with, somehow busy life happens. I was trying to find him or Cindy on FB tonight going stir crazy during Covid 19 lock down and googled this instead. I am heartbroken. If anyone can tell me what happened to my friend I would be grateful. My email is jimbo6951@live.com

I loved Chris with all my heart, and I shall always remember the three years of precious memories we shared together. His sudden death leaves an unhealed wound in my heart. I think about him every day. I remember trips. and I see gifts he gave me that widened and deepened the unfilled chasm left in my life with this death. Chris passed love and laughter on to those he left behind. Rest in Peace, My Love. As long as I live, you shall be remembered. Terry

Chris and I were in the band together at Stevenson High School. He was always so happy and knew how to make us all laugh. From the picture, it looks like Chris had changed very little through the years. Lots of good memories and so sad to hear of his death.

I remembered Chris from school, there was an age difference but we were in band together. He was one of the kindest, nicest people I had ever met. He never failed to have a smile on his face. He was always happy. RIP friend. Thoughts and prayers to the family in the days to come.

I went to nursing school with Chris and needless to say, he always made us laugh and have a good time. Later I had the opportunity to work with him for a short time and he was the same fun loving guy. My heart goes out to his family at this time of sorrow. But I want to assure you all that you were greatly loved by this wonderful man. Everyone will truly miss him and his wonderful smile.
