I am so very sorry for your loss. At such a painful time, I hope that it is comforting to know that our Creator, Jehovah God, understands our grief. More than that, he longs to use his almighty power to restore life to our loved ones. Notice the hope conveyed in the words at Job 14:15: "You will call, and I will answer you. You will long for the work of your hands." We are the work of God's hands and the Creator who was responsible for our life can certainly restore us to life after death. May these thoughts along with your warm memories give you comfort during this difficult time.

My precious Aunt Katie, how I love this lady. Growing up and spending time at her and Uncle Pete's house was priceless. So many sweet memories from having breakfast to getting to go on the paper route with them. They always made you feel loved. She will truly be missed by everyone that knew her. RIP Aunt Katie and give Grannie Hall a big hug for all us Grandchildren. We love you!!! Doris
