why couldn't anyone down there call me "my sister Edna " to let me know I,m am very sadden about my Aunt Mattie she was very misunderstood . I did,nt get to see alot of her but when I was there in the summer when I was a small kid & as I was growwing up,she treated me good . some people would say some not so good things about my aunt but . I guess i understood her I will miss her even if it just knowing she was thier alive . she looked after me when I went down in the summer . It is really to bad that my own sister can't pick up the phone and call me . oh well will see . later it's al good . love you aunt Mattie I will miss you Shirley.
