Jimmy you know you meant the world to me we have talked alot and cried together over the phone 3000 miles away. You are a piece that held your family together and you never gave up. You suffered so long and you have peace know. I will miss calling you to hear your voice and your one of a kind soul. Everyone knew Carylon was my rock and yours too but you was our rock as well. I wanted to tell you I hear the Alabama game was a nail biter they won for you. To all your close family I am sorry for your loss and I am here for all of you. I never will forget you and your jack mackel patties and biscuits and gravy. Love you so much.

Uncle Jimmy, I'm so thankful for getting to talk to you on Christmas day! You always meant so much to me. I will forever cherish my childhood memories with you and I thank you for being such a wonderful Uncle to me when you didn't have to be! Even though many miles separated us you always had a way of showing me you continued to love me ♡ Fly high on that mountain, loving and missing you always! Love, Hattie Mae, Mike and Alana
