I have known Susan for a very long time and I am so very sad about this news. The last time that I talked to her was right after her back surgery. My heartfelt condolences go out to Casey and all the family. She was a very dear friend and I'm so sorry that I am just now finding out about this. I loved her very much! Tammy Womack

Mitzi Underwood lit a candle in honor of Susan.

We met at East junior high in Tullahoma. Since our last name was the same, so many people thought we were related. We became friends. I'm glad to say I could count you as one. You will be missed dear lady. Mitzi Carr Underwood

Dear Family, I was extremely saddened to hear of Susan's passing. She and I attended church together all through our school years and were managers of the THS girls basketball team. We were able to stay in contact over the past few years. Please know that I hold you in my thoughts and prayers. Blessings- Julie Hutson Foreman
