Met Inez at Jackson County Park. She and Pete were good friends. She was a great person and took care of Pete in his last days. We will remember her fondly. Because of the health concerns, we are unable to attend visitation or funeral. RIP. Inez

I was privileged to meet Inez at the nursing home where she worked and cared for my mom, Ms. Millie. She always came with a smile and a hug for her and we developed a great friendship. On the days when things were not going well, Inez always had a way with words of encouragement. She became my trusted friend and we maintained that friendship over the years. I am saddened at the loss of my friend but, by her own testimony, I know I will see her again. Her legacy will live on through the family relationships she developed at the nursing home and within her own family. To each family member I am truly sorry for this sad time. Praying you find Grace for today, Strength for tomorrow and Courage for the days ahead. Betty & Charles Edmonds and the entire family of Millie Gilliam
