Donna just wanted you to know that I love Jimmy also, I know you are suffering now and I asked to come home and be with you, But I am being held against my will by a person who has a guardian ship over me and won't release her power and a judge who thinks he is a GOD and can lay down the rules and enforce them, but sweetie you're BLESSED TO HAVE HAD A SON LIKE JIMMY. HE was one of the sweetest most respectful young men i have ever met. He was always respectful of and to you and never ever talked disrespectfully toward you, any mother would be proud to call him SON I know I would. Donna since I have no access to any of my family or any of my money if i have any left, I can't send any flowers or anything else, but if and when I ever get out of here i would love to give you something in remembrance of Jimmy. I love you Donna and you are on my mind a lot and now you will be on my mind a lot more , because I will be praying for you more before. Just remember you do have one first cousin who loves you dearly. And this one knows what it's like to be alone and have no one. I love you sweet girl.

It was some kind of a privilege knowing Jimmy. He was a very beautiful soul, the kind of person I would hold up to anyone and say, "see, this is what humans can be like." He was very, very funny, a great story-teller, but mostly a lovely and warm human being. We should all be so lucky to know just one person in our lives like Jimmy. And he would never forgive me if I didn't also remind everyone that he was also a putz. He knows what I mean by that and all his buddies that I ever met would get it, too. And I say it with 100% love and affection...but he would know that, too. We will miss you terribly, buddy 😊
