I love you so much Aunt Ruby can't believe the true gone but I'll always have our memories you always laughing and telling jokes. But I know that you're up there looking down on all of us and you've got all the brothers and sisters that went before and you got that beautiful boy and your husband with you now

This little angel was the 2nd person on earth to hold me. She was fiesty and funny and the sweetest woman. This earth is a little less brighter with her gone. She will always be loved and fly High Aunt Ruby. Prayers to the Girls and Grandkids and family.
