I love Gini! Soon after my father suffered a stroke, I saw her and spoke to her about Daddy being involved in Hospice. As a great leader would be she was concerned about liability. Some time later she realized he was as sharp as ever. He served as volunteer Medical Director for many years. They became close friends. Prayers for her family and her other friends.

Gini was a wonderful very talented classmate, a great friend to all. I have many fond memories of our days at WCC. May she rest in peace knowing how many people we touched by knowing her.

As the new organist at St. Luke's six years ago, Gini was so kind and helpful .I have fond memories of sharing the music with her. I was honored when she asked me to help her pack as she prepared for her move to Anniston. She has been missed and will continue to be. Shirley
