After all these years I just want to tell you that I was the recipient of a gift from Margaret in 4th grade at Christmas. She had drawn my name of course I didn't know it until the day that we exchanged gifts. Y'all gave me the most adorable purse filled with lotion and other supplies. I was so happy and excited about this gift. I am sure that I never expressed my love for this gift to Margaret like I should have. But it was the best gift that this poor little girl had and ever did receive at school. I never forgot it or who it came from. It always meant so much to me. I am thankful for Margaret and the life that God gave her. I will always remember her as a kind sweet soul. I pray for God's blessings to be all around you Ms. Anne for the rest of your journey here and until step foot on those peaceful golden shores. I do try to pass it forward and do things for others in this path that I travel for those that are less fortunate than myself. It is such a great blessing to help others along the way. I am thankful for all those who lifted me up when I needed it. I will be lifting you up in prayer. I am Mary Swaim Chamness.
