Always smiling! Always laughing! I'll always laugh at you telling the story when you wanted to wrestle with me and I choked you out! Being the person you are you never wanted to admit I did that you always told every " He only choked me out on 1 side " and laughing! I love you Nephew! You will never be forgotten!

Anthony's dad, Tony and I worked together. That's how I met Ant. Then he and I worked together at Tennessee Galvanizing. He took me back and forth to work when I didn't have a car. He'd let me come to his house and do my laundry when I didn't have a washer or dryer. He was a damned good friend and he's gonna be sorely missed. I love you, Ant! Thanks for being a good friend. Fly high!

I grew to know Anthony when he lived with us. I'll have to say he was a very likable person. He had such a pretty smile, good guy. You will be missed Anthony.
