Our precious neighbor he was an awesome man. When we moved here, he was so accepting and friendly to us. He looked out for us like family helping. Always calling me on Sunday night to check my garbage, then taking it out for me and Monday bringing it back. He was loved and now we're going to miss him terribly. ❤️

Oh Slim, how will I go home and my wonderful friend will not be there. You were the BEST NEIBOR EVER. Remember when Todd said don't mow near the tree, of course I mowed near the tree and you came and saved me so my husband would not fuss at me. Our visits were precious, even though I don't think you heard half of what I said lol. You always made me smile.. and our visits will be missed by me.. love you Slim.
