Amy loved taking photos. She was a great photographer. I always kept telling her that she should do something. I loved her photos. They always brightened my day.

I remember in First Grade when Amy crawled out the window. Not sure if it was a dare or not. But she got caught by our teacher. Lol. It wasn't funny at the time, but I think of it from time to time

I remember a time in First Grade where Amy climbed out of the window and got caught. Back then, it wasn't so funny. Ms. Gresen's was NOT happy at all.
