“ I'm sorry to hear about Ms. Gipson's passing. I have been missing her. She was so fiesty, and raw and I loved her. I know she had a hard battle and she will be missed dearly. My heart grievs, but I know she is not in pain anymore. I will forever keep the perfume she gave me. It will always remind me of her. I wish I had known sooner, but just read it now. Love missi

“ I just read in the paper a few minutes ago of her passing. My heart is absolutely breaking. I know she isnt in pain anymore, but I will forever love and miss this lady. She was the first person to really befriend and encourage me as I became the new owner of Merle Norman of Scottsboro.  
My all time favorite memory was about 3 years ago she called and asked, "You got any coffee?" I said I did. She said good, I'll bring us some cupcakes from Gigi's and have some coffee with you and have some girl talk...."  
Several times we talked about her teaching to play golf, and we simply never made the time...  
I will always think of her as a firecracker. And she will be forever and ever missed in my heart and in my studio.  
Love and prayers to her family.
